Dear Ms. Noack-May:

I am contacting in your capacity as the President of the Houston Northwest Bar Association to make sure that you are aware that on February 16, 2011, the Office of Inspector General (OIG) for the US Department of Health and Human Services will offer a **free**, half-day compliance training session in **Houston** at the Houston InterContinental near the Galleria for local health care providers, compliance professionals, and their **legal counsel**.

The session will feature government experts from OIG, the Centers for Medicare & Medicaid Services, United States Attorneys' Offices, and State Medicaid Fraud Control Units to talk about the realities of health care fraud and the importance of implementing an effective compliance program.

I am sending you this note because space at this session is limited. Could you please share this information with your members? I encourage anyone interested in these issues to visit <http://compliance.oig.hhs.gov> for more information and to request enrollment now.

Regards,

Marc Wolfson

January 26th, 2011

Dear Local Bar Association Representative,

It's the start of a New Year and the *DVD CLE* team would like to thank the Local Bar Associations for working with us in 2010. We are looking forward to working with you in 2011. Enclosed you will find our 2010-2011 *DVD CLE* Video Schedule along with a few order forms that your Local Bar Associations may be interested in viewing. With *DVD CLE* you have access to the latest, most up to date TexasBarCLE course DVDs and written materials. Each course is available for a showing at a location of your choice and a time that is convenient for your Local Bar Association.

Local Bar Associations receive a 20% discount when purchasing *DVD CLE*. For each showing, we submit the application to the State Bar's MCLE department for **accredited** credit. We send out the DVDs along with everything your attendees will need for the program, the written materials either in book form or on a flash drive (USB), whichever you prefer as well as the MCLE cards to claim the MCLE credit.

Flexibility and convenience are key benefits of *DVD CLE*, in-house programming. For example, all *DVD CLE* In-house programming qualify for "expanded" viewing dates. This means that you could choose to show a program during the month of July. Your attendees could view the program in July, at a time that is convenient to all. They would participate together as a group: the date on the completed MCLE cards would read "July 1-31". The expanded viewing dates give you flexibility to adjust to the shifting schedules of your attendees.

DVD CLE programs are purchases, not rentals. Following your showing, you keep the course DVDs and written materials. Just mail your MCLE cards back to *DVD CLE* and we'll take care of reporting the time for all attendees.

To make selections, please see the enclosed *DVD CLE* Video Schedule and order forms. We look forward to working with you and your Local Bar Association in 2011.

Sincerely,

A handwritten signature in cursive script that reads "Jerry Phillips".

DVD CLE In-House Programs: A Flexible CLE Option!

With **DVD** CLE, you have access to the latest, most up-to-date TexasBarCLE course DVD videos and written materials—each one available for presentation in your office, on your schedule.

You'll enjoy flexibility and convenience with **DVD** CLE programming. For example, all **DVD** CLE in-house seminars qualify for "expanded" viewing periods. This means that you could choose to show a program anytime in, say, the month of October. We would so indicate on the accreditation application with the MCLE Department. Your attendees could view the program on whichever dates in October they wish; the date on their completed MCLE cards would be "October 1-31," and then the year. Thus, expanded viewing allows for the shifting schedules of your participants.

DVD CLE programs are purchases, not rentals. Following your showing, you may keep the course DVD(s) and written materials. You need only to return the completed MCLE cards to **DVD** CLE.

To make your selections, please see the enclosed schedule. We look forward to serving you!
